**TRAFFIC SHIFT ON NH 28 BRIDGE IN WOLFEBORO**  
***NH 28/109 BRIDGE OVER THE SMITH RIVER***

The New Hampshire Department of Transportation announces a planned traffic shift on Wednesday, March 1 on the NH Route 28 Bridge over the Smith River in Wolfeboro. Traffic will be shifted eastward over the newly widened portion of the Smith River Bridge while the existing bridge deck is rehabilitated.

One-way traffic on the bridge will be guided by the use of temporary signals 24 hours a day, which will be in effect for approximately two months. The single lane will be 11.5 feet wide.

Audley Construction, Inc. of Bow, New Hampshire is the general contractor for the \$2.25 million project.
